

REMARKS:

The Office action mailed June 18, 2005 has been received and carefully considered. It is requested that the present amendment be entered after final rejection, as it is urged to place this application in immediate form for allowance or better form for appeal.

In particular, previous Claims 26 to 29, 32 and 34 have been canceled without prejudice to inclusion in a continuation application. All other pending claims have been indicated to be allowable.

The Examiner is invited to contact the undersigned by telephone, if prosecution of this application can be expedited thereby.

Respectfully Submitted,
